INDEPENDENCE DAY *(continued from front)*

"Independence Day: freedom has its life in the hearts, the actions, the spirit of men and so it must be daily earned and refreshed — else like a flower cut from its life-giving roots, it will wither and die." — Dwight D. Eisenhower

"You have to love a nation that celebrates its independence every July 4th, not with a parade of guns, tanks, and soldiers who file by the White House in a show of strength and muscle, but with family picnics where kids throw Frisbees, the potato salad gets iffy, and the flies die from happiness. You may think you have overeaten, but it is patriotism" — Erma Bombeck

"May we think of freedom not as the right to do as we please, but as the opportunity to do what is right." — Peter Marshall

"Ask not what your country can do for you — ask what you can do for your country." — John F. Kennedy

"One flag, one land, one heart, one hand, one nation, evermore!" — Oliver Wendell Holmes

"Where liberty dwells, there is my country." — Benjamin Franklin
